Notes:

Lunch can be scheduled either at the beginning of the Kraków visit (around 1:00-2:00 PM) or at the end of the Old Town sightseeing program (around 4:00-5:00 PM).

Due to the historic nature of Kraków's architecture and the accessibility limitations of both the Wieliczka Salt Mine and the sites visited in Kraków, this program is not suitable for participants with disabilities or reduced mobility.

COACH TRANSPORT

Our transport partner is **Ibatur**, a company based in Białystok with a branch in Warsaw. We have been cooperating with them for many years. The company operates a modern fleet and employs professional and experienced drivers.

The coach used for the trip will have between 57 and 69 seats. For the comfort of participants, we aim to fill the coach to a maximum of 90-95% capacity.

Each coach is equipped with air conditioning, a toilet, and 230V power sockets or USB ports.

STAFF & CARE

TOUR LEADER

Throughout the entire trip, the group will be accompanied by a dedicated tour leader. Their role extends beyond logistics and supervision - they provide ongoing support, clear communication, and coordination throughout the day.

The tour leader serves as liaison between participants, local partners, and your company. Thanks to detailed knowledge of the itinerary and prior arrangements, the tour leader ensures a smooth flow of the trip and participant comfort, minimising the risk of unforeseen or unpleasant situations.

LOCAL GUIDE

During the guided tour of Kraków's Old Town and the Wieliczka Salt Mine, the group is accompanied by a licensed local guide with deep, long-standing ties to the region. Thanks to their extensive knowledge and experience, the guide brings the area's history, culture, and most remarkable sites to life, revealing unique perspectives and hidden charms known only to local residents.
